

2009 All Landings to Irish Ports

Species	Value (€000's)	Live Weight (tonnes)
DEEPWATER	761	797
DEMERSAL	82,514	39,725
PELAGIC	60,046	149,068
SHELLFISH*	60,812	22,260
BOARFISH**	390	10,477
TOTAL	204,524	222,327

*Shellfish figures do not include Mussel seed harvested for aquaculture.

**Boarfish are recorded separately to the four species classes because though demersal in habits they are landed in very large quantities and have a relatively low value by weight.

2009 Top 20 Landing Ports

Port	Value (€000's)	Live Weight (tonnes)
KILLYBEGS	55,273	144,155
